

**Town of West Tisbury
Inspector of Buildings
Zoning Enforcement Officer**

The Town of West Tisbury is seeking to hire an Inspector of Buildings/Zoning Enforcement Officer for a full-time benefited position. Position includes issuing building permits, inspecting building projects and ensuring compliance with local zoning laws. Position includes facilities management of town-owned buildings, which includes the development of a maintenance plan for each building and creation of an inspection schedule for building systems. Individual must have strong computer skills, ability to multi-task and excellent interpersonal skills. This individual also supervises and oversees the work of the Wiring, Gas and Plumbing inspectors. Qualified applicants must have a high school diploma and 5 years of progressively responsible experience in building construction or design as well as certification as "Inspector of Buildings" in accordance with Massachusetts General Laws and a valid Massachusetts driver's license and a readily available vehicle. Individual must also be able to meet the physical demands of the job. Starting hourly rate \$31.60, Application and job description can be found on the Town website at www.westtisbury-ma.gov, or by calling 508-696-0100. Resume & applications must be returned by June 3, 2013. EOE.
